Description: In 1973, Norma Cobb, her husband Lester, and their five children, the oldest of whom was nine-years-old and the youngest, twins, barely one, pulled up stakes in the Lower Forty-eight and headed north to Alaska to follow a pioneer dream of claiming land under the Homestead Act. The only land available lay north of Fairbanks near the Arctic Circle...

Review: Pros: Quick and easy read with some great adventure stories included. I ripped right through the first half of book. Cons: By the second half of the book it just devolves into Norma Cobb complaining or putting down anyone and everyone. Her negative opinions of just about everything really started to wear on me. Eventually each chapter devolves into...
